

## Joanne Horton

RESIDENTIAL DIRECTOR

Through her leadership expertise, Joanne oversees the Residential Studio team and helps drive projects successfully through each step of the process, from imagined to completion, working closely with the client and the collaborative team of designers and consultants. With more than 10 years of experience in design and project management of multi-family and mixed-use communities, Joanne delivers significant value to our clients and the people who inhabit their communities. With her extensive background in creating inventive and beautiful designs, combined with organizational and managerial proficiency, she achieves targeted results for the client's goals, schedules and budgets.

### EDUCATION

KENT STATE UNIVERSITY  
Master of Architecture  
Master of Business Administration  
Bachelor of Science in Architecture

### PROFESSIONAL CREDENTIALS

NCARB, National Council of  
Architectural Registration Boards

With a dual master's degree in architecture and business administration, Joanne's technical acumen allow her to manage the most complex programs and processes efficiently, and communicate effectively with all stakeholders, ensuring the highest quality deliverables are met for each and every project.

Joanne's credentials include prior experience as an adjunct professor at Kent State University teaching architectural design and structural engineering courses. She is also an active guest critic for the university's graduate design studio. Joanne also spent a portion of her professional training studying urban planning and redevelopment in Florence, Italy.
