

Ron Lloyd, RA, NCARB

PRESIDENT AND FOUNDER

As master planner, architect, founder and president of RDL Architects, Ron possesses a unique breadth and depth of experience in retail and residential design. His sensitivity to client's needs, during his more than 25 years of practice as an architect, has garnered him a great deal of respect in the world of design.

Ron's vision and leadership strengths have attracted a remarkable team of talented professionals. Ron stays involved, invested and interactive to ensure design excellence and service for each RDL client and project. Ron is committed to achieving the highest goals set forth through efficient design across the RDL multidiscipline business. He is careful to blend the firm's planning philosophies with vision, lending his expertise to assure the built product respectfully serves both the present and future.

Ron is also committed to leadership in sustainable design through continued education and support of staff training in LEED professional accreditation.

Ron's architecture portfolio:

- Residential | Commercial mixed-use
- Residential neighborhoods including:
 - Multi-family dwellings
 - High density apartments
 - Town homes - urban / suburban
